Today, members of the New Jersey State Police Casino Gaming Bureau, the State Troopers Fraternal Association, Shop Rite, employees from TD Bank, and Richard McDermott of Investors Bank participated in the annual Thanksgiving Turkey Basket Donation Drive at the Pennsylvania Avenue School in Atlantic City. In addition, students and teachers from the Pennsylvania Avenue School assisted in the assembling of 150 Thanksgiving Turkey baskets for needy families in the Atlantic City area. This was the fifteenth consecutive year that the Casino Gaming Unit members and their many partners helped spread holiday cheer and provide a wholesome, festive, and traditional Thanksgiving meal for the less fortunate.

Members of the Casino Gaming Unit and the State Troopers Fraternal Association expressed their delight at being afforded the opportunity to give back to the community, and in a fashion of true service to the community, not leave anyone behind on this upcoming Thanksgiving Holiday. The members also expressed their eagerness to make next year's annual Thanksgiving Turkey Basket Donation Drive even more successful!
